## LEARN ABOUT THINKING DAY COUNTRY

Are you planning a booth for Thinking Day or an international event? our country manuals can make your planning and activities easy! We have created books to make your life less stressful and a lot easier.

- Simply choose a country to represent that we have already researched and written a book about.
- Available right at your fingertips is an informational book 40-60 pages long packed with: Answers to all the questions in the patch program, crafts, games, legends, recipes, festivals, and activities.
- The best part is you can copy the games, worksheets, maps, and paper dolls dressed in native clothing for the participants.
- We have already completed all the preparation work for you! Our Historically Speaking country manuals includes all the information about the country you need to create a display board. It also teaches the participants educational and exciting things about the country they are studying.
- In addition, they can earn a patch about the unique country they are studying about.
